

AMTA NJ Government Relations Committee Notice Posted 3/28/2020:

Regarding AMTA Insurance Coverage

The policy through **HPSO requires** that covered **AMTA members are appropriately licensed** to provide professional services **and that they comply with state, federal and facility guidelines** relative to scope of practice and practice setting. **If there is a government order that mandates non-essential businesses close**, and massage therapy is not considered essential in that governmental jurisdiction, then **the therapist** would be **practicing outside of the governmental order**, guidance, law or regulation; and **coverage would be excluded in the event of a claim**. Call HPSO with specific questions about AMTA's coverage: 1-888-253-1474.
